Despite her inexperience, Hilda was able to take pricks of any size in both her holes without any problems! When she was alone, for example, she often played with bottles whose phallic shape tickled her imagination... She also used them to stick into her hungry cunny and arsehole...

Nun - das mit der Treue, damit hatte Hilda manchmal Schwierigkeiten, wenn sie allein war, ganz einfach, weil sie von Natur aus so geil veranlagt, ja nymphomanisch war. Aber bislang hatte sie der Versuchung widerstanden, fremd zu gehen und sich stattdessen in einsamen Stunden mit Flaschenhälsen und Gurken amüsiert...

Malgré son jeune âge, son manque d'expérience, Hilda pouvait recevoir d'énormes engins dans ses petits trous sans le moindre problème! Quand elle était seule, elle jouait souvent dans la salle de bains avec des flacons de shampoing dont la forme phallique titillait sa libido. Elle se les rentrait alors dans le con et le cul...

... prick, which had a very strong, masculine aroma that turned both of them on. Not to mention making their tight little holes ooze with love juice... The back room of Armand's café...

Kein Zweifel: Armand war geil, die Mädchen auch, und so war es gekommen, wie es hatte kommen müssen: sie hatten seinen kleinen steifen Riesen rausgeholt und verwöhnten ihn nunmehr leidenschaftlich mit Zungen, Fingern und Fäusten...

...pour quelque chose... A vrai dire, si le plus cruel des empereurs romains avait été à la place d'Armand, il se serait probablement autant régalé que lui avec ces deux belles garces, à la seule différence qu'il les auraient martyrisées...

Freda compartió con su condiscípula un buen bocata del grueso y sudoroso vástago del cafetero que despedía un aroma masculino muy fuerte que las calentaba a las dos. El...
